INDEPENDENT AUDITORS' REPORT

Board of Supervisors
Sumter Landing Community Development District
The Villages, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of governmental activities, the business-type activities, and each major fund of Sumter Landing Community Development District (the District) as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

INDEPENDENT AUDITORS' REPORT
(Concluded)

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, business-type activities, and each major fund of the District, as of September 30, 2017, and the respective changes in financial position thereof, the budgetary comparison of the Lake Sumter Landing and Project Wide Special Revenue Funds, and where applicable, cash flows thereof, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, as listed in the accompanying table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards* we have also issued our report dated February 28, 2018, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Management's Discussion and Analysis

September 30, 2017

The Sumter Landing Community Development District (the District) management's discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the District's financial activities and (c) identify changes in the District's financial position and its ability to address the next and subsequent year challenges.

Financial Highlights

Entity-Wide Level

- The assets of the District exceeded its liabilities as of September 30, 2017, by \$63,836,726 (net position), an increase of \$2,947,911. Of the total net position, \$47,847,798 of unrestricted net position exists that can be used at the discretion of the Board of Supervisors.
- The District's total net position increased by \$2,947,911 during the Fiscal Year. This increase in net position resulted from a decrease of \$336,657 in net position in the governmental funds, while there was a \$3,284,568 increase in the proprietary funds. The proprietary fund increase was a positive \$2,958,394 in the Sumter Landing Amenities Division (SLAD) Fund and an increase of \$326,174 in the three fitness centers.
- The District's long-term debt increased during the year due to the issuance of the Taxable Senior Recreational Revenue Bonds, Series 2016, for \$320,905,000 and the Taxable Subordinate Recreational Revenue Bonds, Series 2016, for \$30,900,000. The proceeds from the bonds were used to purchase the amenity fee revenue and the amenity assets south of 466 and north of Highway 44.

Fund Level

- At the close of the Fiscal Year, the District's governmental funds reported combined fund balances of \$9,318,819, a net increase of \$523,236, compared to the prior year. Of the total, \$5,723,233 is *unassigned fund balance*, available for use by the District on a discretionary basis. Capitalized assets and their associated depreciation are not recorded in the fund based financial statements due to the near-term focus of governmental revenue and expenditure flows.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to basic financial statements.

Government-wide Financial Statements. The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business. The **Statement of Net Position** presents information on all of the District's assets and deferred outflows compared to liabilities and deferred inflows, with the difference between the two reported as *net position*. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Sumter Landing Community Development District is improving or deteriorating.

The **Statement of Activities** presents information showing how the government's net position changed during the most recent Fiscal Year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, *regardless of timing of related cash flows*. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected assessments).

Both of the government-wide financial statements distinguish functions of the District that are principally supported by assessments and intergovernmental revenues (*governmental activities*) from other functions that are

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Management's Discussion and Analysis

September 30, 2017

intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the District include general government and physical environment services. The business-type activities of the District include the Sumter Landing Amenities Division (SLAD) and the Sumter Landing Fitness Fund which provide general governmental, debt service, and culture and recreation services. The District has no component units, as all functions are performed by the primary government.

The government-wide financial statements are provided on pages 9-10 of this report.

The Fund Financial Statements, which report by individual fund, begin on page 11. Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Sumter Landing Community Development District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Lake Sumter Landing and the Project Wide Special Revenue Funds are the two governmental funds of the District. The Sumter Landing Amenities Division (SLAD) Fund is the main operating fund and with the Sumter Landing Fitness Fund comprises the only two proprietary funds in the District. The fund financial statements present information in more detail than the government-wide financial statements. Governmental Accounting Standards Board (GASB) Statement No. 34 provides the authoritative guidance on the governmental financial reporting model.

Governmental funds. *Governmental funds* are used to account for essentially the same functions as *governmental activities* in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the Fiscal Year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and governmental fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The District maintains two continuing governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balance for the Lake Sumter Landing and the Project Wide Special Revenue funds, both of which are considered to be major funds.

The District adopts an annual budget for both major governmental funds. Budgetary comparison statements for both funds can be found on pages 15-16 of this report.

Proprietary funds. The District maintains two proprietary funds, the Sumter Landing Amenities Division (SLAD) Enterprise Fund and the Sumter Landing Fitness Enterprise Fund. Enterprise funds, a category of proprietary funds, are included as *business-type activities* in the government-wide financial statements. Proprietary funds statements provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for the SLAD and Fitness funds, which are both considered to be major funds of the Sumter Landing Community Development District. The basic proprietary fund financial statements can be found on pages 17-19 of this report.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Management's Discussion and Analysis

September 30, 2017

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found beginning on page 20 of this report.

Government-wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the District, assets exceeded liabilities and deferred inflows by \$63.837 million as of September 30, 2017, representing an increase of \$2.948 million from the net position of approximately \$60.889 million (restated) as of September 30, 2016. The increase in net position for September 30, 2017, is due to the significant increase in the fund balance of the two proprietary funds, the SLAD Fund and the Fitness Fund, offset by depreciation related reductions in the balances of the governmental funds.

The District's net position is categorized as follows as of September 30, 2017:

Net investment in capital assets. This \$6.230 million portion of the District's net position (9.76%) reflects its investment in capital assets (e.g., land, buildings, machinery and equipment) less any related debt used to acquire those assets that are still outstanding. The District uses these capital assets to provide services to its residents; consequently, these assets are not available for future spending. Although the District's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves will not be used to liquidate these liabilities.

Restricted for debt service. An additional \$8.531 million portion of the District's net position (13.36%) represents resources that are subject to external restrictions on how they may be used. The District's restricted net position is restricted for the purpose of meeting its debt service obligations.

Restricted for renewal and replacement. A total of \$1.227 million of the District's net position (1.92%) is restricted by the bond indenture for use in the renewal and replacement of capital assets in the SLAD Fund.

Unrestricted net position. The remaining \$47.848 million balance of the District's net position (74.95%) may be used to meet the District's ongoing obligations to residents and creditors.

Table 1 on the following page reflects the summary statement of net position for the current and prior years.

Governmental Activities

Governmental activities decreased the District's net position by \$336,657 during the year ended September 30, 2017.

Business-type Activities

Business-type activities increased the District's net position by \$3,284,568 during the year ended September 30, 2017. The increase reflects the increase in net position of the Sumter Landing Fitness Enterprise Fund and the continued improved operations of the Sumter Landing Amenities Division Fund. Included in the increase for the Sumter Landing Amenities Division Fund was the operating income due to the purchase of the recreation facilities and amenity fees south of highway 466 and north of highway 44. The District's business-type activities consist of recreation, fitness and security services provided to District residents.

Budgetary Highlights

During the year, there were no changes to the revenue and expenditure budgets for the Project Wide Fund between the original and final budget. There were no changes to the revenue budget for Lake Sumter Landing Fund; however, there was an increase to the expenditure budget of \$339,968, primarily in the capital outlay line item offset by minor decreases and increases in other line items.

Capital Asset and Debt Administration

Capital Assets

The District's capital assets as of September 30, 2017, and September 30, 2016, amounted to \$253,413,050 and \$67,217,156, respectively. This is net of accumulated depreciation and includes land, buildings, improvements other than buildings, furniture and equipment, and construction in progress. The large increase is due to the purchase of the recreation facilities south of highway 466 and north of highway 44. Additional information regarding the District's capital assets can be found in Note 3 of the Notes to Basic Financial Statements.

Long-term Debt

As of September 30, 2017, and September 30, 2016, the District had long-term debt outstanding of \$405,530,000 and \$55,450,000, respectively. The majority of the debt as of September 30, 2017, consists of Recreational Revenue Refunding Bonds issued during Fiscal Year 2015-2016 and new Recreation Revenue Bonds issued in 2016-2017 in the total amount of \$351,805,000. This debt is secured by a lien and pledge of revenues under the indentures which are derived by the District from the users of the recreational facilities. Additional information regarding the District's long-term debt can be found in Note 5 of the Notes to Basic Financial Statements.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Management's Discussion and Analysis

September 30, 2017

Economic Factors and Next Year's Budgets and Rates

- The unemployment rate in Sumter County where the District is located was 4.7 percent in September 2017 which is a decrease from a rate of 6.9 percent a year ago. The State's average unemployment rate is 3.7 percent and is below the national average rate of 4.2 percent.
- Inflationary trends in the area are comparable to national indices. The national Consumer Price Index (CPI) annual change for all urban consumers changed from 1.46 percent in September 2016 to 2.23 percent in September 2017.

These factors were considered in preparing the District's budget for the 2017-2018 Fiscal Year. The Lake Sumter Landing Special Revenue Fund is projecting a revenue decrease of \$10,584 and an expenditure increase of \$119,522 in Fiscal Year 2017-2018 compared to the final budget in Fiscal Year 2016-2017. The majority of the expenditure increase is in repairs and maintenance, offset by minor increases and decreases in various line items. The Project Wide Special Revenue Fund is projecting a revenue increase of \$968,248 largely due to the expected addition of District 12 to the participating Districts in the Project Wide Fund. An expenditure increase of \$1,234,388 is also projected. The expenditure increase is mainly in the repairs and maintenance services line item with an increase of \$957,429, offset by minor increases and decreases in other line items.

The Sumter Landing Amenities Division Fund sees a Fiscal Year 2017-2018 increase in revenues budgeted of \$5,067,035 with expenditure increases of \$9,808,549. The increases in both revenue and expenditures are mainly due to the increased service area which was purchased during the 2016-2017 Fiscal Year. The 2017-2018 budget will reflect the first full year of operations for those areas purchased. The Fitness Enterprise Fund sees a Fiscal Year 2017-2018 revenue increase of \$21,100 and a projected expenditure increase of \$93,610. Most of the expenditure increase is in professional services, other contractual services, repairs and maintenance, and transfer to renewal and replacement, offset by other minor line item changes. Most of the revenue decrease results from increased fitness fee revenue.

Requests for Information

The District's financial statements are designed to present users (residents, customers, investors and creditors) with a general overview of the District's finances and to demonstrate the District's accountability. If you have any questions about the report or need additional financial information, contact the Village Community Development Districts, Finance Department at 984 Old Mill Run, The Villages, FL 32162; Telephone (352) 753-0421.

LAKE SUMTER LANDING & PROJECT WIDE**

Reconciliation of the Balance Sheet – Governmental Funds to the Statement of Net Position
September 30, 2017

Total fund balances, governmental funds		\$ 9,318,819
Total net position reported for governmental activities in the statement of net position is different because:		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds:		
Capital assets	\$ 47,969,887	
Less accumulated depreciation	<u>(13,924,588)</u>	34,045,299
Net position of governmental activities		<u>\$ 43,364,118</u>

See accompanying notes to basic financial statements.

**SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT
GOVERNMENTAL FUNDS**

Statement of Revenues, Expenditures and Changes in
Fund Balances – Governmental Funds
Year Ended September 30, 2017

	Lake Sumter Landing	Project Wide	Total
Revenues:			
Special assessments	\$ 1,549,245	-	1,549,245
Intergovernmental revenue	9,300	10,358,226	10,367,526
Other revenue	15,767	52,912	68,679
Investment earnings	54,316	166,382	220,698
Rents and leases	19,571	-	19,571
Total revenues	1,648,199	10,577,520	12,225,719
Expenditures:			
Current			
Physical environment	1,307,172	10,105,974	11,413,146
Capital outlay	276,962	12,375	289,337
Total expenditures	1,584,134	10,118,349	11,702,483

**SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT
GOVERNMENTAL FUNDS**

Reconciliation of the Statement of Revenues, Expenditures, and Changes in
Fund Balances – Governmental Funds to the Statement of Activities
Year Ended September 30, 2017

Net change in fund balances – total governmental funds	\$	523,236
--------------------------------------------------------	----	---------

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures, however, in the statement of activities, the cost of those assets is capitalized and allocated over their estimated useful lives as depreciation expense. This is the amount of capital outlay less depreciation expense in the fiscal year.

Capital outlay	\$	289,337	
Depreciation expense		<u>(1,149,230)</u>	(859,893)

Change in net position of governmental activities	\$	<u><u>(336,657)</u></u>
---------------------------------------------------	----	-------------------------

See accompanying notes to basic financial statements.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies

(a) Reporting Entity

Sumter Landing Community Development District (the District) was established in 2002 to manage and finance basic services for a development district located in The Villages, Florida. The District was created by Sumter County Commission Ordinance No. 02-06 pursuant to the provisions of Chapter 190.005 of the Florida Statutes and operates within the criteria established by Chapter 190. The District is governed by a five-member Board of Supervisors, who are elected on a rotating basis by the landowners within the District for terms from two to four years. As of September 30, 2017, each member of the Board of Supervisors is an employee of or affiliated with the Developer.

The District provides recreation and security services to the residents of a retirement community known as The Villages, located in The Villages, Florida. The Villages consists of approximately 22,601 acres spanning the borders of Lake, Sumter and Marion Counties, the City of Wildwood, the City of Fruitland Park and the Town of Lady Lake, Florida, and when fully developed is expected to include approximately 58,789 residences and 111,699 residents. The Villages of Lake-Sumter, Inc. was the developer and initial owner of the property within the District. The Villages continues to be developed by the developer, a family-owned business, established for the single purpose of developing The Villages.

There are no component units that are legally separate from the District. There are fifteen Community Development Districts (CDDs) in the total structure of The Villages, each being a separate government entity established pursuant to Chapter 190, Florida Statutes.

The Developer has formed the following community development districts:

- Village Center CDD (Lake, Marion and Sumter Counties) – This CDD provides water and sewer utility services, recreation services, security services, fire protection, and paramedic services to the residents. The cost of operations is funded by amenity and utility fees that residents pay monthly. This CDD also provides for the maintenance of common areas and roadways for the commercial areas within the CDD boundaries. The cost of maintenance in the commercial areas is funded through commercial maintenance assessments.
- Sumter Landing CDD (Sumter County) – This CDD provides recreation and security services to the residents. The cost of operations is funded by amenity fees that residents pay monthly. This CDD also provides for the maintenance of common areas and roadways for the commercial areas within the CDD boundaries. The cost of maintenance in the commercial areas is funded through commercial maintenance assessments.
- Brownwood CDD (Sumter County) – Brownwood CDD (Sumter County) – This CDD was newly established in June 2012 by the City of Wildwood, Florida and is located at the southern end of The Villages. This CDD provides for the maintenance of common areas and roadways for the commercial areas within the CDD boundaries. The cost of maintenance in the commercial areas is funded through commercial maintenance assessments as the new downtown area builds out.
- Village CDD No. 1 (Sumter County) – This CDD's boundary consists of approximately 993 acres in the northeast corner of the county. The development included construction of 3,420 residential units.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(a) Reporting Entity (continued)

- Village CDD No. 2 (Sumter County) – This CDD’s boundary consists of approximately 990 acres in the northeast corner of the county. The development included construction of 3,668 residential units.
- Village CDD No. 3 (Sumter County) – This CDD’s boundary consists of approximately 894 acres in the northeast corner of the county. The development included construction of 3,762 residential units.
- Village CDD No. 4 (Marion County) – This CDD’s boundary consists of approximately 1,253 acres in the southern portion of the county. The development included construction of 5,432 residential units of which 184 remain unsold as of the end of the Fiscal Year.
- Village CDD No. 5 (Sumter County) – This CDD’s boundary consists of approximately 1,407 acres in the northeast corner of the county. The development included construction of 6,399 residential units.
- Village CDD No. 6 (Sumter County) – This CDD’s boundary consists of approximately 1,497 acres in the northeast corner of the county. Planned development included construction of 6,697 residential units of which 1 remains unsold as of the end of the Fiscal Year.
- Village CDD No. 7 (Sumter County) – This CDD’s boundary consists of approximately 976 acres in the northeast corner of the county. The development included construction of 4,765 residential units.
- Village CDD No. 8 (Sumter County) – This CDD’s boundary consists of approximately 1,098 acres in the northeast corner of the county. Planned development included construction of 5,193 residential units of which 70 remain unsold and are being used as lifestyle preview homes by the Developer.
- Village CDD No. 9 (Sumter County) – This CDD’s boundary consists of approximately 1,286 acres in the northeast corner of the county. Planned development includes construction of 5,409 residential units of which 1 remains unsold as of the end of the Fiscal Year.
- Village CDD No. 10 (Sumter County) – This CDD’s boundary consists of approximately 1,586 acres in the northeast corner of the county. Planned development includes construction of 6,639 residential units of which 367 remain unsold as of the end of the Fiscal Year.
- Village CDD No. 11 (Lake County) – This CDD’s boundary consists of approximately 693 acres within the city limits of Fruitland Park in the western portion of Lake County. Planned development includes construction of 2,055 residential units of which 289 remain unsold as of the end of the Fiscal Year.
- Village CDD No. 12 (Sumter County) – This CDD’s boundary consists of approximately 699 acres within the city limits of the City of Wildwood in the in the northeast corner of the county. Planned development includes construction of 2,503 residential units of which 2,297 remain unsold as of the end of the Fiscal Year.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(a) Reporting Entity (continued)

Some of these community development districts have issued special assessment revenue bonds to finance various infrastructure improvements in their respective boundaries that are secured by special assessments levied on benefited lands in each district. It is anticipated that additional infrastructure improvements within The Villages will be undertaken by these community development districts and/or community development districts that will be created in the future, for which special assessments may be imposed on residences in The Villages and lands owned by the Developer.

In addition to the above there is one dependent district of Sumter County that is part of the family of Districts that comprise the local government of The Villages.

- North Sumter County Utility Dependent District (NSCUDD) (Sumter and Marion Counties) – The dependent district was established in July 2010 to manage and finance basic potable water, wastewater treatment and reclaimed water services for approximately 7,721 acres of land located in unincorporated Sumter County in The Villages, Florida. The District was created on July 13, 2010, by Sumter County, Florida, in Ordinance No. 2010-10, pursuant to the provisions of Chapter 189 of the Florida Statutes, and operates within the criteria established by Chapter 189. The service area of NSCUDD was expanded to include solid waste collection services for the entire Sumter County portion of The Villages. The City of Wildwood and Marion County entered into interlocal agreements with the District on November 20, 2012, authorizing the District to provide solid waste collection services in portions of their jurisdictions, including Brownwood District and District No. 4. The City of Fruitland Park entered into an interlocal agreement with the District on June 12, 2014, authorizing the District to provide solid waste collection services in the portion of their jurisdiction that lies within The Villages.

The financial statements of the District have been prepared in conformity with U.S. Generally Accepted Accounting Principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the standard-setting body for establishing governmental accounting and financial reporting principles. The District's more significant accounting policies are described below.

(b) Basic Financial Statements

Government-wide and Fund Financial Statements

The basic financial statements include both government-wide (based on the District as a whole) and fund financial statements. The government-wide financial statements (i.e., the statement of net position and statement of activities) report information on all of the non-fiduciary activities of the District. For the most part, the effect of internal activity has been removed from these statements.

The financial reporting model focus is on either the District as a whole, or major individual funds. The government-wide statement of net position reports the governmental activities of the District (a) on a government-wide basis and (b) on a full accrual basis, using the economic resources measurement focus, which incorporates long-term assets and receivables as well as long-term debt and obligations. The statement of activities reflects the expenses of the District, which are offset by revenues. Program revenues are defined as charges for services, operating grants and contributions, and capital grants and contributions directly associated with a given function.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(b) Basic Financial Statements (continued)

Government-wide and Fund Financial Statements (continued)

The District's major funds are presented in separate columns on the fund financial statements. The definition of a major fund is one that meets certain criteria set forth in GASB 34. The Lake Sumter Landing and the Project Wide Special Revenue Funds meet this definition as governmental funds and are designated as major funds. The Sumter Landing Amenities Division (SLAD) and Fitness

Enterprise funds also meet this definition as proprietary funds and are designated as major funds. The District has no non-major funds.

Program revenues in the statement of activities consist primarily of special assessment revenues. Net position is categorized as net investment in capital assets, restricted, and unrestricted.

Net investment in capital assets is intended to reflect the portion of net position which is associated with capital assets net of accumulated depreciation less outstanding capital asset related debt.

Restricted net position is assets that have third party (statutory, bond covenant or granting agency) or enabling legislation limits on their use. The District would typically use restricted assets first, as appropriate opportunities arise, but reserves the right to selectively defer the use thereof to a future project or replacement equipment acquisition.

Unrestricted net position represents net position not included in net investment in capital assets or restricted net position.

(c) Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary funds financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due and compensated absences are recognized to the extent they have matured.

Governmental funds report fund balances either as non-spendable or spendable. Spendable balances are further classified as restricted, committed, assigned or unassigned, based on the extent to which there are external or internal constraints on the spending of these fund balances. A discussion of each is as follows:

Non-spendable: Resources that cannot be spent, such as for inventories.

Restricted: Balances that only can be spent for specific purposes imposed by external sources.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(c) Measurement Focus, Basis of Accounting and Financial Statement Presentation (continued)

Committed: Resources that can only be spent for purposes established by the highest decision making authority in the government.

Assigned: Amounts designated for specific purposes, but does not meet the criteria to be designated restricted or committed.

Unassigned: The residual classification for all remaining funds not contained in other classifications.

The District does not currently use *Non-spendable* or *Assigned* categories of fund balance. All *Restricted* fund balances relate to external debt service restrictions. The Board of Supervisors, the highest decision making authority of the District, approves the establishment, increase, and reduction in *Committed* fund balances by budget resolutions and amendments. All other fund balances are *Unassigned*. *Restricted* and *Committed* fund balances are always used first for the purposes for which they are designated. Changes to this practice require prior Board of Supervisors approval. A minimum fund balance amount has not been formally adopted.

The following are the District's two major governmental funds:

Lake Sumter Landing Special Revenue Fund

The Lake Sumter Landing Special Revenue Fund is used to account for all financial resources of the government for commercial area maintenance in the District. The fund receives revenue primarily in the form of special assessments levied against the benefiting commercial property owners with structures in the District. These fees in turn are used to maintain the property and landscaping in the Lake Sumter Landing commercial area.

Project Wide Special Revenue Fund

The Project Wide Special Revenue Fund was established in Fiscal Year 2006-2007 to assume the responsibilities of maintaining the landscaping along road rights-of-way, fences, multi-modal paths, walls, tunnels, and related drainage and water management structures that benefit the residents of Districts located south of Sumter County Route 466. All community development districts in this area contribute, on a prorated acreage basis, to fund the Project Wide Fund for common area maintenance. The Project Wide Fund then provides the vehicle to contract with a variety of service providers to maintain the common areas of the Districts, along major road rights-of-way.

Proprietary funds report the same functions presented as business-type activities in the government-wide financial statements, only in more detail. The District uses an enterprise fund to account for the operations and maintenance of the Sumter Landing Amenities Division (SLAD) which are financed and operated in a manner similar to private business enterprise, where the costs of providing services on a continuing basis are financed through user charges. In Fiscal Year 2009-2010, a new enterprise fund was established to provide for the financial management of the three fitness centers operated by the District south of CR 466. In prior years the fitness centers were managed in an enterprise fund operated by the Village Center Community Development District. In the Fiscal Year 2009-2010 budgets of the two Districts, the three fitness centers south of CR 466 and a proportionate share of

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(c) *Measurement Focus, Basis of Accounting and Financial Statement Presentation (continued)*

the fund balance of the Village Center District Fitness Enterprise Fund were transferred to Sumter Landing Community Development District to establish the Sumter Landing Fitness Enterprise Fund. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the District's enterprise funds are charges to customers for amenity services. Operating expenses for the enterprise fund include the cost of services, administrative expenses, and depreciation of capital assets. Revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

The following are the District's two major enterprise funds:

Sumter Landing Amenities Division (SLAD) Fund

The principal operating revenues of the District's SLAD fund are charges to customers for amenity fee based services, including recreation and security.

Sumter Landing Fitness Enterprise Fund

This enterprise fund accounts for the charges to customers and the expenses of operating the four District fitness centers on a continuing basis. The three fitness centers are located at the Colony Cottage, Laurel Manor, SeaBreeze, and Rohan Recreation Centers operated by the District.

(d) *Budgetary Data*

Legal authority and control are established in accordance with Section 190.008, Florida Statutes. Annual budgets are adopted and approved by the Board of Supervisors. Annual budgets, as well as subsequent amendments, are adopted for the four funds on a basis consistent with GAAP.

All budget amounts presented in the statements reflect the original budget and the amended budget, if so amended.

(e) *Deposits and Investments*

The District's cash and cash equivalents are considered to be cash on hand, demand deposits, cash with fiscal agent, and short-term investments with original maturities of three months or less from the date of acquisition. The District also holds assets that are defined as investments. The District's investments are recorded at fair value unless the investment qualifies as an external investment pool under the guidance in GASB Statement No. 79, and then they are recorded at amortized cost.

(f) *Restricted Assets-Proprietary Funds*

Certain proceeds of revenue bonds, as well as certain resources set aside for their repayment, are classified as restricted assets on the statement of net position because their use is limited by applicable bond covenants. Restricted assets in the form of cash and cash equivalents that will be used to pay current liabilities are classified as current assets in the accompanying statement of net position.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(f) Restricted Assets-Proprietary Funds (continued)

The Resolutions, authorizing the revenue bonds, require that the District establish a Sinking Fund and reserve accounts in amounts that equal the Reserve Account Requirements, which are defined in the Bond Trust Indentures. In addition, the Bond Resolutions require that a renewal and replacement reserve be established. The renewal and replacement reserve deposits are maintained as restricted assets until such time as needed.

(g) Capital Assets

Capital assets are reported in the applicable governmental or business-type activities columns in the government-wide financial statements and the proprietary fund financial statements. As defined by the District, capital assets are assets with an initial, individual cost of more than \$5,000 and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed.

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Depreciation of capital assets is computed using the straight-line method. Estimated useful lives of the assets are as follows:

Buildings and Structures	15-40 years
Improvements other than buildings	10-40 years
Machinery and equipment	5-10 years

(h) Assessments

Maintenance Assessments

The District has levied an assessment for the maintenance of the infrastructure and the operations of the Lake Sumter Landing Special Revenue Fund. This assessment is derived from the fund's annual budget. The maintenance assessment revenue is classified as general revenue. The assessment is computed based on the square footage of each commercial structure as a percentage of the total square footage benefiting from the services provided.

Billing / Collection of Assessments

The District provides a notice of assessment in August or September of each year and bills the assessment to each benefiting property owner in twelve (12) monthly increments.

(i) Intangible Assets

Intangible assets represent the discounted value of future amenity fees for assets acquired from the Developer, and are capitalized at cost at the date of acquisition. Intangible assets are amortized on a straight-line basis over an estimated useful life of 40 years.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(1) Summary of Significant Accounting Policies (continued)

(j) Bond Discounts, Bond Premiums and Issuance Costs

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable business-type activities statement of net position. Bond premiums and discounts and bond insurance, are deferred and amortized over the term of the bonds using the straight-line method, which approximates the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, proprietary fund types recognize bond issuance costs during the period when the debt is issued. The face amount of debt issued is reported as other financial sources. Issuance costs are reported as other debt services expenditures.

(k) Use of Estimates

The preparation of financial statements requires management of the District to make a number of estimates and assumptions relating to the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the period. Actual results could differ from those estimates.

(l) Implementation of Government Accounting Standards Statements

During the year ending September 30, 2017, the District early implemented GASB Statement No. 86, *Certain Debt Extinguishment Issues*. This Statement provides for improvements to consistency in accounting and financial reporting for in-substance defeasance of debt as well as providing guidance for reporting prepaid insurance on debt that is extinguished. A requirement of the statement was restatement of prior year financial statements in order to retroactively apply the reporting of prepaid insurance on debt that was extinguished. SLCDD financial statements were restated for the fiscal year ending September 30, 2016. The following is the net effect of the restatement on beginning net position for the SLAD fund:

	ENDING	RESTATED	
	NET POSITION	ENDING	
	2016	2016	DIFFERENCE
	<u> </u>	<u> </u>	<u> </u>
SLAD	\$ 12,808,779	\$ 14,014,031	\$ 1,205,252

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(2) Deposits and Investments

Short-Term Portfolio

As of September 30, 2017, the District had the following deposits and investments:

Deposits and Investment Type	Fair Value at September 30, 2017	Weighted Average Maturity (Days)	Credit Rating
Demand Deposits, CFB	\$ 976,933	1.0	n/a
Florida Education Investment Trust Fund, FEITF	6,449,329	51.0	AAAm
State Board of Administration, Florida Prime TM	7,224	51.9	AAAm
U.S. Bank - State Board of Administration, Florida Prime TM	19,849,697	51.9	AAAm
Florida Cooperative Liquid Assets Securities System, FLCLASS	18,277,820	56.0	AAAm
Florida Local Government Investment Trust, FLGIT	6,912,979	671.6	AAAf/S1
1-3 Year High Quality Bond Fund, FMIvT	6,860,582	547.5	AAAf/S2
Total Fair Value	\$ 59,334,564		
Portfolio Weighted Average Maturity (WAM)		181.7	

Interest Rate Risk. Interest rate risk exists when there is a possibility that changes in interest rates could adversely affect an investment's fair value. GASB 40 requires that interest rate risk be disclosed using one of the five approved methods. The five methods are: segmented time distribution, specific identification, Weighted Average Maturity (WAM), duration, and simulation model. The District has used the WAM method in the above chart. In accordance with the District's investment policy, the government manages its exposure to decline in fair values by limiting the WAM of its investment portfolio to less than three years. The WAM on September 30, 2017, was 181.7 days.

Credit Risk. GASB 40 requires disclosure of credit quality ratings for investments in debt securities as well as investments in external investment pools, money market funds, and other pooled investments of fixed income securities. Investments may be aggregated by ratings categories within the disclosure. Ratings are set by nationally recognized statistical rating organizations (Fitch, Moody's, and Standard and Poors (S&P)). Fitch provides the ratings for Florida Municipal Investment Trust (FMIvT), while S&P provides the ratings for the Florida Education Investment Trust Fund (FEITF), Florida Local Government Investment Trust (FLGIT), Florida Cooperative Liquid Assets Securities System (FLCLASS), and the State Board of Administration, Florida PrimeTM.

Operating cash is maintained with Citizens First Bank, a Qualified Public Depository, pursuant to Chapter 280, Florida Statutes. Interest earned on those deposits for the Fiscal Year totaled \$6,586. Additional cash on hand at September 30, 2017, totaled \$4,280.

The District's cash equivalents consist of funds placed with three entities:

- The State Board of Administration (SBA) for participation in the Florida Local Government Investment Pool (Florida PrimeTM) created by Section 218.415, Florida Statutes. This investment pool operates under investment guidelines established by Section 215.47, Florida Statutes. The District's investments in the Florida PrimeTM, an external investment pool, are reported at amortized cost. The District recognized \$94,720 in earnings from Florida PrimeTM during the 2016-2017 Fiscal Year.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(2) Deposits and Investments (continued)

Short-Term Portfolio (continued)

Credit Risk (continued)

- Florida Cooperative Liquid Assets Securities System (FLCLASS) is an independent local government investment pool and is an authorized investment consistent with Section 218.415(16)(a), Florida Statutes, and the District's short-term investment policy. The District's investments in FLCLASS are reported at amortized cost. The District recognized \$154,319 in earnings from FLCLASS during the Fiscal Year 2016-2017.
- Florida Education Investment Trust Fund (FEITF) is a common law trust and is an authorized investment consistent with Section 218.415(16)(a), Florida Statutes, and the District's short-term investment policy. The District's investments in FEITF are reported at amortized cost. The District recognized \$61,500 in earnings from FEITF during the Fiscal Year 2016-2017.

The District's short-term investments consist of funds placed with the following entities:

- The Florida League of Cities, Inc. for participation in the Florida Municipal Investment Trust (FMIvT) investment pool. The pool is an authorized investment consistent with Section 218.415(16)(a), Florida Statutes, and the District's short-term investment policy. The District owns shares in the 1-3 Year High Quality Bond Fund pool operated by the FMIvT. GASB 31 requires all governments to mark to market the unrealized gains and losses incurred in its investments. In the year ended September 30, 2017, the FMIvT had incurred unrealized gains of \$33,953. The unrealized gains will not be realized until the sale of underlying shares in the FMIvT pool.
- The Florida Local Government Investment Trust (FLGIT), a pool sponsored by the Florida Association of Counties and the Florida Court Clerks and Comptrollers. The pool is an authorized investment consistent with Section 218.415(16)(a), Florida Statutes, and the District's short-term investment policy. GASB 31 requires all governments to mark to market the unrealized gains and losses incurred in its investments. As of September 30, 2017, the FLGIT account had incurred unrealized gains of \$54,280. The unrealized gains will not be realized until the sale of underlying shares in the FLGIT pool.
- In total, the District recognized investment earnings of \$405,358 for the short-term portfolio during the Fiscal Year.

Concentration of Credit Risk. The District's short-term investment policy requires the diversification of its investment portfolio. Investments may be diversified by:

- Limiting investments to avoid over-concentration in securities from a specific issuer or business sector;
- Limiting investments in securities with higher credit risks;
- Investment in securities with varying maturities; and
- Continuously investing a portion of the portfolio in readily available funds, such as the Florida PrimeTM, money market funds, or overnight repurchase agreements to ensure the appropriate liquidity is maintained to meet ongoing obligations.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(2) Deposits and Investments (continued)

Short-Term Portfolio (continued)

Custodial Credit Risk - Deposits. In the case of deposits, this is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District invests its operating cash solely in Qualified Public Depositories that meet the requirements of Chapter 280, Florida Statutes. In addition to protection of up to \$250,000 for its deposits with a single bank as provided by the Federal Deposit Insurance Corporation (FDIC), the District's deposits are provided the extra level of security afforded by using a public depository that meets the requirements of Chapter 280. This includes the provision by the public depository of collateral based on the amount of public deposits maintained at the institution and the ability of the State of Florida to levy other public depositories for shortages in collateral in the event of the failure of a public depository. The Citizens First Bank is a Qualified Public Depository.

Custodial Credit Risk - Investments. For an investment, this is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. All investments are held in the name of the District by a custodian or a Trustee for the District.

Short-Term Investment Policy. The District is authorized to invest in those financial instruments as established by the short-term investment policy of the District. This policy allows investments authorized under Section 218.415, Florida Statutes, amended to include Repurchase Agreements and prohibiting derivative type investments. The authorized investments include:

- The Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act as provided in Section 163.01, Florida Statutes.
- Securities and Exchange Commission registered money market mutual funds with the highest credit quality rating from a nationally recognized rating agency.
- Interest-bearing time deposits or savings accounts in qualified public depositories as defined in Section 280.02, Florida Statutes.
- Direct obligations of the United States Treasury.
- Federal agencies and instrumentalities.
- Repurchase agreements with financial institutions approved as public depositories, provided that the underlying collateral consists of obligations of the United States Government, its agencies and instrumentalities. The repurchase agreement shall be collateralized equal to at least 102 percent of the value of the District's investment.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(2) Deposits and Investments (continued)

Short-Term Portfolio (continued)

Fair Value Measurement. Fair value measurements assume a transaction takes place in a government's principal market, or a government's most advantageous market in the absence of a principal market. The fair value also should be measured assuming that general market participants would act in their economic best interest.

The fair value hierarchy categorizes the inputs to valuation techniques used to measure fair value into three levels:

- **Level 1** inputs-are quoted prices (unadjusted) for identical assets or liabilities in active markets that a government can access at the measurement date
- **Level 2** inputs-are inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.
- **Level 3** inputs-are unobservable inputs for an asset or liability. The fair value hierarchy gives the highest priority to Level 1 inputs and the lowest priority to Level 3 inputs. If a price for an identical asset or liability is not observable, a government should measure fair value using another valuation technique that maximizes the use of relevant observable inputs and minimizes the use of unobservable inputs.

The District holds assets that are defined as investments. The District's investments are recorded at fair value unless the investment qualifies as an external investment pool under the guidance in GASB Statement No. 79. The following short-term investments are recorded at fair value:

- Florida Municipal Investment Trust (FMIvT)
- Florida Local Government Investment Trust (FLGIT).

Under the fair value hierarchy, all of these investments are considered to be Level 2.

The District's holds investments in qualified external investments pools that measure all of its investment at amortized cost for financial reporting purposes. These investments are recorded at amortized cost. The following investments are recorded at amortized costs and are not subject to the fair value hierarchy:

- Florida Local Government Investment Pool (Florida Prime™)
- Florida Cooperative Liquid Assets Securities System (FLCLASS)
- Florida Education Investment Trust Fund (FEITF)

None of the pools have limitations or restrictions on participant withdrawals including items such as redemption notices, maximum transaction amounts, and the pool's authority to impose liquidity fees or redemption gates.

First American Government Obligation	11,111	28 Days	AAAm
Total Fair Value	<u>\$ 4,443,324</u>		

The District's LTIP allocations seek to have up to 60% in equities with the remainder in fixed income and/or cash and cash equivalents. The District contracts with qualified investment managers to whom authority is delegated to invest and reinvest assets in accordance with the LTIP. The District's LTIP does not place specific limits on maturities. During the current Fiscal Year, the Long-Term Investment Portfolio had an unrealized gain of \$461,486. The realization of the gain will only occur from the future sale of underlying shares in the portfolio.

Interest Rate Risk. Interest rate risk exists when there is a possibility that changes in interest rates could adversely affect an investment's fair value. The District's LTIP addresses managing its exposure for changes in interest rate through maintaining diversification of its investments to minimize the impact of downturns in the market.

Credit Risk. GASB 40 requires disclosure of credit quality ratings for investments in debt securities as well as investments in external investment pools, fixed income mutual funds, money market funds, and other pooled investments of fixed income securities. The District's LTIP stipulates that the average credit rating of the overall fixed income portfolio should be investment grade, based on the rating of one Nationally Recognized Statistical Rating Organization (NRSRO), such as Fitch, Moody's, Standard and Poor's (S&P), etc.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(2) Deposits and Investments (continued)

Long-Term Portfolio (continued)

Concentration of Credit Risk. The District’s LTIP requires the diversification of its portfolio. The LTIP contains an Asset Allocation Target with the objective of achieving an average total rate of return that is equal to or greater than the portfolio’s target rate of return over the long-term. The Asset Allocation Targets are as follows:

<u>Asset Classes</u>	<u>Asset Weightings</u>	
	<u>Range</u>	<u>Target</u>
Growth Assets		
Domestic Equity	20% - 60%	40%
International Equity	0% - 40%	20%
Other	0% - 20%	0%
Income Assets		
Fixed Income	20% - 60%	40%
Other	0% - 20%	0%
Real Return Assets	0% - 20%	0%
Cash Equivalents	0% - 20%	0%

Custodial Credit Risk - Investments. For an investment this is the risk that, in the event of the failure of the counterparty, the District will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. All investments are held in the name of the District by a custodian or a trustee for the District.

Long-Term Investment Policy. The District is authorized to invest in those financial instruments as established by the LTIP of the District. The LTIP was developed in accordance with Section 218.415, Florida Statutes, and prohibits direct investment in derivative-type investments. The authorized investments consist of:

- Domestic and International Equities
- Fixed Income Securities
- Other Assets (Alternatives)
 - Real Estate Investment Trust (REIT)
 - Treasury Inflation Protected Securities (TIPS)
- Cash Equivalents

The objectives of the LTIP are to diversify investments in order to minimize the impact of large losses from individual investments; provide funding for anticipated withdrawals; enhance the value of the portfolio in real terms over the long-term through asset appreciation and income generation, while maintaining a reasonable investment risk profile; minimize principal fluctuations over the time horizon (five years or longer); and achieve a long-term level of return commensurate with contemporary

Long-Term Portfolio (continued)

Long-Term Investment Policy (continued)

economic conditions and equal to or exceeding the performance expectation (an average total annual rate of return that is equal to or greater than the Portfolio's hurdle rate of 5%).

The time horizon for the LTIP is five years or longer.

Foreign Currency Risk. The District's LTIP does not allow for direct investments in foreign currency.

Fair Value Measurement. The District categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs.

In the long-term portfolio, all applicable investments are measured utilizing Level 2 inputs.

Governmental activities depreciation of \$1,149,230 is for roads, drainage features and related infrastructure in Lake Sumter Landing. Business-type activities depreciation of \$6,639,300 is for recreational facilities operated by the Sumter Landing Amenities Division (SLAD) fund. Increases to the SLAD fund during the fiscal year totaled \$193,695,087, due to the purchase of the recreation facilities south of highway 466 and north of highway 44 during the Fiscal Year. That also resulted in increased depreciation expense for the business-type activities.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(4) Intangible Assets

	<u>Beginning Balance</u>	<u>Increases</u>	<u>Decreases</u>	<u>Ending Balance</u>
Business activities, SLAD fund:				
Discounted value of amenity fees	\$ 19,932,352	145,746,986	-	165,679,338
Less accumulated amortization	<u>(5,481,398)</u>	<u>(2,849,062)</u>	-	<u>(8,330,460)</u>
Intangible assets, net	\$ <u>14,450,954</u>	<u>142,897,924</u>	-	<u>157,348,878</u>

The intangible assets represent the value of assets acquired based on their revenue generating value exceeding their book value. This difference on prior purchases continues to be amortized over a period of forty (40) years. During the 2016-2017 Fiscal Year, additional revenue generating assets were purchased which increased the intangible asset value by \$145,746,986. Those additional intangible assets will be amortized over a thirty (30) year period as provided for in GASB 51.

(5) Long-term Debt

Revenue Bonds Payable

Revenue bonds payable consisted of the following:

\$55,450,000 Taxable Recreational Revenue Refunding Bonds, Series 2015 due in annual principal installments ranging from \$1,665,000 to \$3,745,000 through October 2038 in accordance with the redemption schedule. Interest is due semi-annually on April 1 and October 1 of each year until redemption or maturity. Interest rates range from 1.168% to 5.050%.

\$ 53,725,000

\$320,905,000 Taxable Senior Recreational Revenue Bonds, Series 2016 due in annual principal installments ranging from \$5,310,000 to \$20,720,000 through October 2047 in accordance with the redemption schedule. Interest is due semi-annually on April 1 and October 1 of each year until redemption or maturity. Interest rates range from 1.448% to 4.172%

320,905,000

\$30,900,000 Taxable Subordinate Recreational Revenue Bonds, Series 2016 due in annual principal installments ranging from \$495,000 to \$1,850,000 through October 2047 in accordance with the redemption schedule. Interest is due semi-annually on April 1 and October 1 of each year until redemption or maturity. Interest rates range from \$4.622% to 4.722%.

On November 16, 2016, the District issued \$320,905,000 in Taxable Senior Recreational Revenue Bonds, Series 2016, and \$30,900,000 in Taxable Subordinate Recreational Revenue Bonds, Series 2016. The first principal payment is due on October 1, 2017. The Senior bonds have interest rates ranging from 1.448% to 4.172% and the Subordinate bonds have interest rates of 4.622% and 4.722%. The bonds were issued to purchase the amenity fee revenue and the amenity facilities south of Highway 466 and north of Highway 44.

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(5) Long-term Debt (continued)

Pledged Revenues. The District has pledged certain amenity fee revenue to pay the principal and interest on Recreational Revenue Bonds issued to pay for the purchase of recreational facilities from the Developer. These Recreational Revenue Bonds were outstanding on September 30, 2017, as shown below. The table reports the revenues pledged for each debt issue, the amounts of revenue received in the current year, the current year principal and interest paid on the debt, the approximate percentage of each revenue which is pledged to meet the debt obligation, and the date through which the revenue is pledged under the debt agreement and the total pledged future revenues for each debt, which is the amount of the remaining principal and interest on the bonds as of September 30, 2017.

<u>Description of Debt</u>	<u>Pledged Revenue</u>	<u>Revenue Received</u>	<u>Principal and Interest Paid</u>	<u>Estimated Percent Pledged</u>	<u>Outstanding Principal and Interest</u>	<u>Pledged Through</u>
Taxable Recreational Revenue Refunding Bonds, Series 2015	Amenities Fee Revenue \$	11,822,167 \$	3,993,203	33.78%	\$ 85,364,337	2039
Taxable Senior Recreational Revenue Bonds, Series 2016	Amenities Fee Revenue	44,080,047	10,880,469	24.68%	577,886,046	2048
Taxable Subordinate Recreational Revenue Bonds, Series 2016	Amenities Fee Revenue	33,199,578	1,263,980	3.81%	58,906,185	2048

(6) Related Parties

The District entered into interlocal agreements with Village Center Community Development District (VCCDD) to obtain certain management, payroll, finance, office rental and administrative services. Under the agreement, fees paid to VCCDD by the Sumter Landing District for the year ended September 30, 2017, amounted to \$12,260,456. Village Community Development District Nos. 5, 6, 7, 8, 9, 10, 11, and Brownwood paid amounts to the Project Wide Fund for maintenance of common use right-of-way. The amounts of these payments were \$1,615,191, \$1,792,651, \$1,141,963, \$1,282,327, \$1,434,723, \$1,852,808, \$621,614, and \$192,501 respectively. Upon action by their respective Boards of Supervisors, District Nos. 5, 6, 7, 8, 9, 10 and Brownwood may request additional services as they deem necessary for the efficient and effective management of their respective districts. Such additional services are billed to the benefiting district at the District's cost. In Fiscal Year 2016-2017, the District purchased trash collection services from North Sumter County Dependent District (NSCUDD) for \$54,646.

The District operates new recreation facilities as they are opened by the Developer. The Developer reimburses all start-up costs and all operating costs until the facility is transferred through an amenity sale. These costs as of September 30, 2017, were \$203,253, which were paid to the District by the Developer. This amount was a reduction from the prior fiscal year due to the purchase by the District from the Developer of the recreation facilities in November of 2016.

The Board of Supervisors for SLCDD as of September 30, 2017, is made up of five members that are either employees or affiliates of the Developer.

2028-2032	54,000		54,000
2033-2037	44,550		44,550
Total	\$ 206,550	11,932	218,482

Hurricane Irma related expenses and revenues

On September 4, 2017, Governor Rick Scott issued Executive Order Number 17-235, Emergency Management- Hurricane Irma. By virtue of issuing the Executive Order, the Governor declared a state of emergency for every county in the State of Florida. On September 10, 2017, Hurricane Irma made landfall in southwest Florida. The storm traveled up the State and entered The Villages in the early morning hours of September 11, 2017. The District sustained damage related to the storm, in most part, with debris, trees and falling limbs. Expenses related to storm damage for Fiscal Year 2016-2017 have been accrued for actual expenses and estimated where actual expenses had not been finalized for Fiscal Year-End financial presentation. FEMA is expected to reimburse the District in Fiscal Year 2017-2018 for storm related damage if it meets the specific category for reimbursement at different percentages. Category A- Debris for the weeks of September 4th through September 17th will receive a 75% cost share and for the weeks of September 18th through October 17th a cost share of 90% will be received. Category B-Emergency Protective Measure for the weeks of September 4th through October 3rd will receive a 100% cost share for Force Account Labor Overtime. The State of Florida will share a 5% reimbursement on the remaining approved cost from FEMA.

<u>Year Ending September 30, 2017</u>	<u>Actual/Estimated Expenses</u>
Hurricane Irma clean-up & related expenses	\$431,269

SUMTER LANDING COMMUNITY DEVELOPMENT DISTRICT

Notes to Basic Financial Statements

September 30, 2017

(8) Risk Management

The District is exposed to various risk of loss related to torts, theft, damage, and destruction of assets; errors and omissions; and natural disasters for which the District generally carries insurance for these risks. However, the District retains risks for certain property coverage and for any losses in excess of coverage limits.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Board of Supervisors
Sumter Landing Community Development District
The Villages, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, and each major fund of Sumter Landing Community Development District (the District) as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated February 28, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS
(Concluded)**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Board of Supervisors
Sumter Landing Community Development District
The Villages, Florida

Report on the Financial Statements

We have audited the financial statements of Sumter Landing Community Development District (the District) as of and for the fiscal year ended September 30, 2017, and have issued our report thereon dated February 28, 2018.

Auditors' Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reports

We have issued our Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountants' Report on an examination conducted in accordance with AICPA *Professional Standards*, AT-C Section 315, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports, which are dated February 28, 2018, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective action has been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the preceding audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government be disclosed in this management letter, unless disclosed in the notes to the financial statements (see Note 1 of District's the September 30, 2017 basic financial statements, for this information).

Financial Condition and Management

Sections 10.554(1)(i)5.a. and 10.556 (7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the District has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific conditions(s) met. In connection with our audit, we determined that the District did not meet any conditions described in Section 218.503(1), Florida Statutes.

MANAGEMENT LETTER
(Concluded)

Financial Condition and Management (Concluded)

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures for the District. It is management's responsibility to monitor the District's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Annual Financial Report

Sections 10.554(1)(i)5.b. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether the annual financial report for the District for the fiscal year ended September 30, 2017, filed with the Florida Department of Financial Services pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2017. In connection with our audit, we determined that these two reports agree.

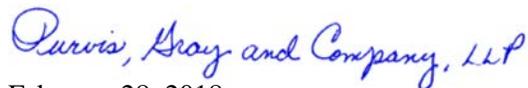

Additional Matters

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Supervisors and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

We wish to take this opportunity to thank you and your staff for the cooperation and courtesies extended to us during the course of our audit. Please let us know if you have any questions or comments concerning this letter, our accompanying reports, or other matters.

**INDEPENDENT ACCOUNTANTS' REPORT ON COMPLIANCE WITH
FLORIDA STATUTE SECTION 218.415 INVESTMENTS OF PUBLIC FUNDS**

Board of Supervisors
Sumter Landing Community Development District
The Villages, Florida

We have examined Sumter Landing Community Development District (the District)'s compliance with Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2017. District Management is responsible for the District's compliance with those requirements. Our responsibility is to express an opinion on the District's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the District complied, in all material respects, with the requirements referenced above. An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extend of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the District's compliance with specified requirements.

In our opinion, the District complied, in all material respects, with the aforementioned requirements during the fiscal year ended September 30, 2017.

This report is intended solely for the information and use of the Florida Auditor General, the Board of Supervisors of the District, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.
