Executive Golf

To maintain the integrity of the executive golf courses and provide the best playing experience possible, the Executive Golf team continues to make enhancements for your playing enjoyment.

With many of the large projects completed this summer, we would like to highlight smaller projects we will be accomplishing throughout the winter.

An example of one of these projects is the shared bunker renovations currently ongoing at Yankee Clipper # 1 and Southern Star #1 Executive Golf Courses. This project is designed to complement and enhance both golf courses. Planned work for completion this week will be to soften the faces of the multiple bunkers, re-grass with Bermuda sod and refill the bunker with sand.

If you have any additional questions, concerns or would like updates on courses, please contact District Executive Golf Maintenance at 352-753-3396.

Sanitation Information

Village Community Development Districts 1-11

If you live in Village Community Development Districts 1-11 in the Sumter County, Marion County or Fruitland Park portions of The Villages, there will be no sanitation or recycling collection on Monday, November 12, 2018. If Monday is your normal collection day, you will have collection on Saturday, November 10th. Please place your bags out no later than 6:00 a.m.

Village Community Development District No. 12 – The Village of Fenney

If your sanitation collection is serviced by Waste Management in the Village of Fenney, you will not have interruption to your service. Pick-up will occur on your next normally scheduled collection day. If you have any questions or would like additional information, please contact Finance Customer Service at (352) 750-0000.

Lake County

If you live in the Lake County portion of The Villages, please contact Lake County Solid Waste at (352) 343-3776 for information on your sanitation schedule. If you live in the Lady Lake portion of The Villages, please contact Waste Management at (352) 787-4416 for additional information.

Information Provided by...

Preventative maintenance is occurring on the potable water system field valves throughout many areas of The Villages. Those customers serviced by Village Center Service Area (VCSA), Little Sumter Service Area (LSSA) and North Sumter Utilities (NSU) that will be impacted will be notified 24 hours in advance of a temporary interruption in service and will receive the following notification:

THE PUBLIC DRINKING WATER MAINS IN YOUR AREA WILL BE SHUT DOWN TEMPORARILY FOR NEEDED MAINTENANCE.

*AS A PRECAUTION, UPON RETURN OF WATER SERVICE, WE ADVISE THAT ALL WATER USED FOR **DRINKING, MAKING ICE, AND COOKING BE BOILED, FOR ALL OTHER HOUSE HOLD USES THE WATER IS ACCEPTABLE.** A ROLLING BOIL OF ONE MINUTE IS SUFFICIENT. AS AN ALTERNATIVE, BOTTLED WATER MAY BE USED.*

THIS "PRECAUTIONARY BOIL WATER NOTICE" WILL REMAIN IN EFFECT UNTIL THE MAINTENANCE TASK HAS BEEN COMPLETED AND A BACTERIOLOGICAL SURVEY SHOWS THAT THE WATER IS SAFE TO DRINK. IF YOU HAVE ANY QUESTIONS, YOU MAY CONTACT DEANNA SIMMONS, FROM THE WATER DEPARTMENT AT (352) 259-2802 (NSU WWTP).

A notice with the addresses of the affected area along with this information will be left at the door of all impacted addresses. We appreciate your patience and cooperation in order to maintain the continued integrity and safety of the District Infrastructure.

A tentative schedule of the areas impacted in the upcoming week:

11/8 – 1510 Redondo Way

11/13 - 1001 Alcove Loop

MOVE OVER AND MAKE WAY FOR EMERGENCY VEHICLES

Have you ever approached an intersection and heard a siren? Perhaps you have looked in your rearview mirror and saw flashing lights behind you. Chances are that you have passed an emergency worker or a law enforcement officer who pulled off the roadway with his or her lights flashing. You should be aware that in Florida the law requires that you move over, make way and slow down when approaching all emergency and law enforcement vehicles stopped on the roadway. The law, known as the Move Over Act, is designed to protect law enforcement officers, firefighters and other emergency workers from needless, accidental tragedy.

After 40 years in law enforcement and public safety, I have learned that driving, especially when responding to calls for service, is the most hazardous duty performed by law enforcement officers, firefighters and emergency service professionals. Many fatalities and injuries to emergency service workers could have been avoided had the driver simply slowed down and moved over.

The Lady Lake Police Department strictly enforces the Move Over Law to help keep you and all public safety professionals safe. While on the roadway, please be alert, pay attention and remember the following:

- If an emergency vehicle is approaching from behind, put on your turn signal, yield to the right-of-way, slow down or pull over. Once the emergency vehicle has passed, use your turn signal and carefully re-enter the roadway.
- On a two-lane roadway, you are required to slow to a speed that is 20 miles per hour less than the posted speed limit. If the speed limit is 20 miles per hour or less, you must slow down to five miles per hour.
- If you are driving on an interstate or roadway with multiple lanes of travel in the same direction and you approach an emergency or law enforcement vehicle parked along the roadway, you must vacate the lane closest to that vehicle as soon as it is safe to do so.
- When arriving at an intersection where an emergency vehicle is approaching from the cross street, come to a complete stop and wait until all emergency vehicles have safely passed before continuing.

If you are a driver who violates the Move Over Law, you can be charged with a moving violation, which results in a fine and points on your license. More importantly, by violating this important law, you would be putting both yourself and a dedicated "first responder" at risk.

On behalf of the men and women of the Lady Lake Police Department, I urge you to help protect those who are sworn to serve and protect you. Always remember to make way, slow down and MOVE OVER when approaching an emergency or law enforcement vehicle - it's the law.
