LEGEND

- Light blue square: PONDS ALLOWING FISHING
- Blue outline: LOCATION OF FISHING AREA

- All fishermen are required to comply with federal, state and local laws, statutes and ordinances while fishing within the boundaries of The Villages. (Licenses are required for those 16 years of age or older. No license is required for those over 65 with proof of age.) For licensing information visit www.MyFWL.com.
- Fishermen may fish in any lake, canal or stream, whether natural or man-made, which can be reached without crossing over or trespassing upon any privately owned property or golf courses.
- Fishermen are prohibited to fish in Lake Sumter, Hammockwood or other areas with "No Fishing" signs posted.
- Any person crossing into jurisdictional wetlands is in violation of state and federal law and may be prosecuted.
- Please be mindful and respectful by others property, vegetation, foliage, and landscaping.
- Park in designated area.
- Catch and Release Fishing is Encouraged.
- Please do not litter.
- The Recreation and Parks Department reserves the right to alter, modify, restrict, suspend or prohibit fishing from any water body under the District's management at any time and without notice.
- There is an abundance of wildlife in any water body. Any fishing or recreational use in any area is at the discretion and sole use and risk of the user. Use areas at your own risk.
- The Community Development Districts nor The Villages of Lake Sumter or Holding Company will be responsible for any damage, injury, loss of any kind as result of use of these areas.
- This map is provided as a courtesy and reference and not to scale or detail. The District does not warrant or guarantee its accuracy, access or availability of fishing areas.
- Please use best judgement for use of the water bodies and access. You are responsible to not violating any rules, or laws.
- Map is subject to be changed, amended, discontinued or altered at any time.
- If you have any questions regarding these guidelines please call Recreation and Parks Administration at 352-674-1900.
