Description of Classes & Clinics

PB100 Virtual Classroom	Introduction to Pickleball: A virtual classroom is available at pickleballcommunity.com . Select PB100 virtual classroom. This is required viewing prior to attending PB100 On Court.
PB100 On Court	Prerequisite is PB 100 Classroom: Students will learn the physical demands of the game, as well as balance, footwork, and movement. Through eye-hand coordination drills & paddle drills they will learn paddle & ball interaction. Learning basic serves, ground strokes and dinks will prepare them to play. Instructors will advise students when they are ready to move on to PB100 Drills.
PB100 Drills	Strokes - Prerequisite is PB 100 On-Court: Students will be taught how to practice and drill on their own through a series of drills. Focusing on the strokes learned in PB100 On-Court, the students will dink, serve, and hit both forehand and backhand ground strokes. Some students, with advanced skills, may be taught additional strokes. Instructors will advise students when they are ready to move on to Skills Clinics.

Skills Clinics listed below are for Beginner and above players which includes those graduates of the PB100 series *and* after a recommendation from your PB100 Drills instructor. Those experienced players not trained in The Villages but meeting the requirements of Beginner players may also sign up for Skills Clinics.

Please see Pickleballcommunity.com for all rating descriptions.

Skills Clinic	<p>1.Non Volley Zone Concepts: Through a games-based approach to learning, participants will develop the techniques and tactics for successful play at the non-volley zone. Tactical aspects include creating open space, ball-pace variations, and moving opponents. Technical emphasis will include ideal strike zone, angle of the paddle face, and pathway of the paddle so as to achieve a variety of shots.</p> <p>2.Full Court Concepts: This course helps to develop transitional play from the baseline to the non-volley zone as well as deep court play. Emphasizing the tactics of play and supported by a variety of stroke techniques. Participants will learn ideal serve and return options, the drop shot, and hitting groundstrokes with depth. Individuals will be actively engaged in this games-based session.</p> <p>3.Strategy and Positioning Concepts: Non-Volley Zone and Full Court Concepts should be completed before attending Strategy and Positioning Concepts. Through a games based approach the focus will be on strategy and positioning including purposeful drop shots, dinking, diffusing balls with pace, increasing consistency, and positioning for success</p>
