Thank you for adopting a bench! While the District encourages a personal experience for each individual when adopting a bench, these simple decorating guidelines have been established to maintain the aesthetic quality of our beautiful community.

- Decorations are not to be permanently displayed on the bench or concrete slab. This includes but is not limited to:
  - Flower pots
  - Ribbons
  - Bows
  - Flags
- Decorations *not* permitted at any time include balloons and any items preventing the full use of the seating of the bench.
- Temporary / Seasonal decorations may be displayed for special occasions, not to exceed 14-days.

The Village Community Development Districts reserve the right to remove decorations from any bench. Once the decorations have been removed, the sponsor will have 14 days to pick them up before disposal.

If you have any questions or concerns relating to the Adopt-A-Bench program, please call the Customer Service Center at (352) 753-4508.
