Thank you for adopting a bench on an Executive Golf Course! While the District encourages a personal experience for each individual when adopting a bench, these guidelines have been established to maintain the aesthetic quality of our beautiful community.

- Decorations are not to be displayed on the bench or concrete slab at any time. This includes but is not limited to:
 - Flower pots
 - Ribbons
 - Bows
 - Flags

Following the installation of your bench, we will notify you that your bench has been installed. At this time, you have the opportunity to schedule a time to visit your bench. To schedule this visit, please contact the Facility Manger at the following course:

After this initial visit, subsequent visits are limited to those times in which you are playing that Executive course. This ensures safety and an enjoyable play experience for everyone.

Due to the volume of play and safety concerns on the Executive Golf Courses, please be aware that if you violate the above guidelines, the District reserves the right to remove your Adopt-A-Bench. If removed, your bench and plaque would be returned to you and the location would become available for others to purchase a bench.

If you have any questions or concerns relating to the Adopt-A-Bench program, please call the Customer Service Center at (352) 753-4508.
