### ARTICLE III. THE VILLAGES CONTRACTUAL AMENITIES FEE

Each Owner hereby agrees to pay a monthly fee or charge (the "Contractual Amenities Fee") against each Homesite for the benefit and use of the recreational and other amenities, in the amount per month set forth in such Owner's Deed. The Contractual Amenities Fee set forth is limited to the Owner named therein. In the event the Owner(s) transfers, assigns or in any way conveys their interest in and to the Homesite, the new Owner(s) shall be obligated to pay the prevalent Contractual Amenities Fee sum that is then in force and effect for new Owner(s) of Homesites in the most recent addition or unit. The monthly Contractual Amenities Fee as set forth in this section is based on the cost of living for the month of sale as reflected in the Consumer Price Index, U.S. Average of Items and Food, published by the Bureau of Labor Statistics of the U.S. Department of Labor (the "Index"). The month of sale shall be the date of the Contract for Purchase of the Homesite. There shall be an annual adjustment in the monthly Contractual Amenities Fee. The adjustments shall be proportional to the percentage increase or decrease in the Index. Each adjustment shall be in effect for the intervening one year period. Adjustments not used on any adjustment date may be made any time thereafter. Each Owner agrees that as additional facilities are requested by the Owner(s) of Homesites and the erection of such additional facilities is agreed to by the Declarant, that upon a vote of one half (½) of the Owners requesting such additional facilities and the commencement of charges therefor, the monthly Contractual Amenities Fee provided for in this section shall be increased accordingly without the limitations set forth herein. For the purpose of all votes the Declarant shall be entitled to one (1) vote for each Homesite owned by the Declarant. The monthly charges shall be paid to the Declarant, or its designate, each month to insure the provision of the services being paid for. The monthly charges for services described in this section shall be due and payable to Declarant and said charges once in effect will continue month to month whether or not said Homesite is vacant. Owner does hereby give and grant unto Declarant a continuing lien in the nature of a Mortgage upon the Homesite of the Owner superior to all other liens and encumbrances, except any Institutional First Mortgage. This lien shall be perfected by recording in the Public Records a notice of lien or similarly titled instrument and shall secure the payment of all monies due Declarant hereunder and may be foreclosed in a court of equity in the manner provided for the foreclosures of mortgages. In any such action or any other action to enforce the provision of this lien, including appeals, Declarant shall be entitled to recover attorney's fees incurred by it, abstract bills and court costs. Owner, together with Owner's heirs, successors and assigns, agree to take title subject to and be bound by, and pay the charge set forth herein and acceptance of the deed shall further signify approval of said charge as being reasonable and fair, taking into consideration the nature of Declarant's project, Declarant's investment in the recreational area, and in view of all the other benefits to be derived by the Owners as provided herein. Purchasers of Homesites further agree, by the acceptance of their deeds and the payment of the purchase price therefor, acknowledge that the purchase price was solely for the purchase of their Homesite or Homesites, and that the Owners, their heirs, successors and assigns, do not have any right, title or claim or interest in and to the recreational, dedicated, or reserved areas or security facilities contained therein or appurtenant thereto, by reason of the purchase of their respective Homesites, it being specifically agreed that Declarant, its successors and assigns, is the sole and exclusive Owner of the areas and facilities, and the Contractual Amenities Fee is a fee for services and is in no way adjusted according to the cost of providing those services.

**Section 19.** Each Owner shall ensure that any construction on the Homesite complies with the construction plans for the surface water management system pursuant to Chapter 40D-4, F.A.C., approved and on file with the Southwest Florida Water Management District (SWFWMD). No Owner of the property within the Subdivision may construct or maintain any building, residence, or structure, or undertake or perform any activity in the wetlands, buffer areas, and upland conservation areas described in the approved permit and recorded plat of the Subdivision, unless prior approval is received from the SWFWMD pursuant to Chapter 40D-4, F.A.C.

**Section 20.** Except as originally constructed by the Declarant, no driveways, walkways, carpaths or access shall be located on or permitted on any road right-of-way, walkway or carpath.

**Section 22.** In an effort to protect limited natural resources, all Homesites shall remain finished with the same quantity and style of water-conservative, drought-tolerant sod and landscape as originally provided by the Declarant.

Notwithstanding: (a) the construction, installation, and maintenance of structures, additions, and other improvements to Owner's Homes and Homesites shall not be deemed a violation of the foregoing sentence if such improvements and activities are first approved by the Declarant, in accordance with the other provisions set forth in this Declaration; and (b) Owners are encouraged to and may add and replace landscape that is more water-conservative and drought-tolerant than originally provided, however, any such alterations to areas visible from roadways or golf courses must receive the prior written approval from the Declarant.

## ARTICLE VI. WATER RESOURCES

**Section 1. Potable water and wastewater utility systems.** All Homes will contain modern plumbing facilities connected to the wastewater and potable water systems provided by Marion County. Upon acquiring any interest as an Owner of a Homesite in the Subdivision, each Owner hereby agrees to pay for water and sewer services provided by Marion County. ## ARTICLE VII. OWNER'S OBLIGATIONS OF MAINTENANCE AND REPAIR

### Section 1. Maintenance Obligations.

(a) **Home, Homesite and adjoining areas.** Subject to these restrictions, each Owner shall, at his sole cost and expense, repair his residence, other than as otherwise provided for herein, keeping the same in condition comparable to the condition of such residence at the time of its initial construction, excepting only normal wear and tear. Each Homesite Owner shall be responsible for maintaining in a mowed, edged, neat and clean manner:

(iv) Owners of Homesites subject to a Special Easement for Landscaping, as shown on the Plat or described in Article IV above, shall perpetually maintain the vegetation located thereon, consistent with good horticultural practice. No owner of a Homesite which is subject to a Special Easement for Landscaping shall take any action to prevent the Landscaped Buffer from complying with those provisions of the Marion County Subdivision regulations requiring Landscaped Buffer areas.

(b) **Walls, Fences and Gates.** Owners shall be responsible for all wall and fence maintenance not assumed by the District in ARTICLE II, Section 1 herein. Subject to these restrictions, each Owner shall paint and keep clean all fences and walls. Owners shall be responsible for maintenance and repair of the structural integrity of all walls and fences serving the Owners' Homesites whether on the Owner's Homesite or on an adjacent Homesite, reserved area, or dedicated area. Where a wall or fence serves more than one Homesite, the cost of maintaining and repairing the structural integrity of the wall or fence shall be shared among the respective Owners served by such wall and/or fence. Owners of Homesites that adjoin a roadway within the Subdivision, in addition to maintaining the interior of such wall or fence, Owner shall be responsible for maintenance and repair of the exterior surface and structural integrity of the wall and/or fence.

Owners of Homesites on the perimeter of the Subdivision who must maintain the exterior of the fence and/or walls on their Homesites are encouraged to do so in a cooperative and uniform manner with other adjacent Homesite Owners so as to present to the public a uniform well maintained appearance of the Subdivision as a whole.

All gates, walls and fences must be of a uniform color and type of paint. Owners intending to paint must contact the Declarant, or the District, for paint specifications.

**Section 2.** If an Owner does not adhere to the above regulations, then the work may be performed on behalf of the Owner by the Declarant, but the Declarant shall not be obligated to perform such work, and the cost shall be charged to the Owner.

#### **ARTICLE VIII. OWNER'S OBLIGATION TO REBUILD**

If all or any portion of a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner thereof, with all due diligence, to rebuild repair, or reconstruct such residence and walls and/or fences in a manner which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within two (2) months after the damage occurs, and shall be completed within six (6) months after the damage occurs, unless prevented by governmental authority. Such reconstruction is subject to the provisions of these restrictions.

No truck in excess of 3/4 ton, camper, boat, trailer, or aircraft, or any vehicle other than a private non-commercial vehicle may be parked in a parking space except a boat may be kept in the garage with the garage door closed. No Owner of a Homesite shall repair or restore any motor vehicle, boat, trailer, aircraft, or other vehicle on any portion of any Homesite, or on dedicated or reserved areas, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility.

#### **ARTICLE X. ARCHITECTURAL CONTROL**

Alterations, Additions, and Improvements of Residences.** No Owner, other than Declarant, or its transferees, shall make any structural alteration, or shall undertake any exterior repainting or repair of, or addition to his residence, which would substantially alter the exterior appearance thereof, without the prior written approval of the plans and specifications therefor by the Declarant, or an architectural review committee appointed by the Declarant. The Declarant, or an architectural review committee designated by the Declarant, shall grant its approval only in the event the proposed work (a) will benefit and enhance the entire Subdivision in a manner generally consistent with the plan of development thereof, and (b) complies with the construction plans for the surface water management system pursuant to Chapter 40 D-4, F.A.C., approved and on file with the Southwest Florida Water Management District. All fences and walls must be of a uniform color and type of paint. Owners intending to paint their fence and/or walls must contact the Declarant, or the District, for paint specifications.

**Section 2. Waiver and Release.** When a building or other structure has been erected or its construction substantially advanced and the building is located on any Homesite or building plot in a manner that constitutes a violation of these covenants and restrictions, the Declarant, or an architectural review committee appointed by the Declarant, may release the Homesite or building plot, or parts of it, from any part of the covenants and restrictions that are violated. The Declarant, or the architectural review committee, shall not give such a release except for a violation that it determines to be a minor or insubstantial violation in its sole judgment.

ARTICLE XI. GENERAL PROVISIONS

Section 1. Water Features. Owner recognizes that lakes, ponds, basins, retention and detention areas, marsh areas or other water related areas (hereafter, "Water Features") within or outside of the Subdivision are designed to detain, or retain stormwater runoff and are not necessarily recharged by springs, creeks, rivers or other bodies of water. In many instances, the Water Features are designed to retain more water than may exist from ordinary rainstorms in order to accommodate major flood events. The level of water contained within such Water Features at any given time is also subject to naturally occurring events such as drought, floods, or excessive rain. Owner acknowledges that from time to time there may be no water in a Water Feature and that no representation has been made that the water depth or height will be at any particular level.

Section 2. Enforcement. All Owners shall have the right and duty to prosecute in proceedings at law or in equity against any person or persons violating or attempting to violate any covenants, conditions or restrictions, either to prevent him or them from so doing, or to recover damages or any property charges for such violation. The cost of such proceedings, including a reasonable attorney's fee, shall be paid by the party losing said suit. In addition, the Declarant shall also have the right but not the duty to enforce any such covenants, conditions or restrictions as though Declarant were the Owner of the Homesite, including the right to recover reasonable attorney's fees and costs. Declarant may assign its right to enforce these covenants, conditions or reservations and to recover reasonable attorney's fees and costs to a person, committee, or governmental entity.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 4. Amendments. Covenants and restrictions of this Declaration may be amended by duly recording an instrument executed and acknowledged by the Declarant.

Section 5. Subordination. No breach of any of the conditions herein contained or reentry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the Subdivision or any Homesite therein; provided, however, that such conditions shall be binding on any Owner whose title is acquired by foreclosure, trustee's sale, or otherwise.

Section 6. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, or any Owner, until the first day of August 2046 (except as elsewhere herein expressly provided otherwise). After the first day of August 2046, said covenants, restrictions, reservations and servitudes shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the Declarant, or his assignee, shall be recorded, which instrument shall alter, amend, enlarge, extend or repeal, in whole or in part, said covenants, restrictions, reservations and servitude.
