The Contractual Amenities Fee set forth is limited to the Owner named therein. In the event the Owner(s) transfers, assigns or in any way conveys their interest in and to the Homesite, the new Owner(s) shall be obligated to pay the prevalent Contractual Amenities Fee sum that is then in force and effect for new Owner(s) of Homesites in the most recent addition or unit. The monthly Contractual Amenities Fee as set forth in this section is based on the cost of living for the month of sale as reflected in the Consumer Price Index, U.S. Average of Items and Food, published by the Bureau of Labor Statistics of the U.S. Department of Labor (the "Index"). The month of sale shall be the date of the Contract for Purchase of the Homesite. There shall be an annual adjustment in the monthly Contractual Amenities Fee. The adjustments shall be proportional to the percentage increase or decrease in the Index. Each adjustment shall be in effect for the intervening one year period. Adjustments not used on any adjustment date may be made any time thereafter. In any such action or any other action to enforce the provision of this lien, including appeals, Declarant shall be entitled to recover attorney's fees incurred by it, abstract bills and court costs. Owner together with Owner's heirs, successors and assigns, agree to take title subject to and be bound by, and pay the charge set forth herein and acceptance of the deed shall further signify approval of said charge as being reasonable and fair, taking into consideration the nature of Declarant's project, Declarant's investment in the recreational area, and in view of all the other benefits to be derived by the Owners as provided herein. Purchasers of Homesites further agree, by the acceptance of their deeds and the payment of the purchase price therefor, acknowledge that the purchase price was solely for the purchase of their Homesite or Homesites, and that the Owners, their heirs, successors and assigns, do not have any right, title or claim or interest in and to the recreational, dedicated, or reserved areas or security facilities contained therein or appurtenant thereto, by reason of the purchase of their respective Homesites, it being specifically agreed that Declarant, its successors and assigns, is the sole and exclusive Owner of the areas and facilities, and the Contractual Amenities Fee is a fee for services and is in no way adjusted according to the cost of providing those services.

ARTICLE VI. WATER RESOURCES

In order to preserve, conserve and efficiently utilize precious water resources, all Homes within the Subdivision have been designed and constructed with two completely separate water systems. One system provides strictly irrigation water and the other system provides potable water for drinking and all other uses.

Section 1. Potable water and wastewater utility systems. All Homes will contain modern plumbing facilities connected to the wastewater and potable water systems provided by Central Sumter Utility Company, LLC its successors and assigns ("CSU"). Upon acquiring any interest as an Owner of a Homesite in the

Subdivision, each Owner hereby agrees to pay for water and sewer services provided by CSU. The charges for such services shall be billed and paid on a monthly basis. Private wells are prohibited.

Section 2. Irrigation Water Utility Systems. The Sumter Water Conservation Authority, LLC, its successors and assigns (“SWCA”), is the provider of all irrigation water within the Subdivision. Upon acquiring any interest as an Owner of a Homesite in the Subdivision, each Owner hereby agrees to pay for irrigation water services provided by SWCA. The charges for such services shall be billed and paid on a monthly basis. Owners are prohibited from utilizing or constructing private wells or other sources of irrigation water within the Subdivision. Potable water may not be used for irrigation, except that supplemental irrigation with potable water is limited to annuals and the isolated treatment of heat stressed areas. All supplemental irrigation utilizing potable water must be done with a hose with an automatic shutoff nozzle. Use of sprinklers on a hose connection is not permitted.

(a) **Irrigation Use Only.** The irrigation water provided by SWCA is suitable for irrigation purposes only. The irrigation water cannot be used for human or pet consumption, bathing, washing, car washing or any other use except for irrigation. Owners covenants to ensure that no one on the Homesite uses irrigation water for any non-irrigation purpose. The Owner agrees to indemnify and hold the Declarant, SWCA, and their officers, directors, and related entities harmless from any injury or damage resulting in whole or in part from the use of irrigation water or the irrigation system prohibited by Article VI.

(b) **Operation of the Irrigation System.** The irrigation water distribution system is not a water on demand system. Upon purchasing a Home from Declarant, Owner will receive a schedule of dates and times during which irrigation water service will be available for the Homesite (“Irrigation Water Service Schedule”). The Irrigation Water Service Schedule shall continue unaltered until such time as Owner is notified of changes to the Irrigation Water Service Schedule with Owner’s monthly bill for irrigation water service or otherwise. The Irrigation Water Service Schedule shall be determined solely by SWCA, based upon many factors including environmental concerns and conditions, recent precipitation, and any water restrictions that may be instituted.

The Owner of the Homesite shall regulate the irrigation water service to the Homesite and will be responsible for complying with the Irrigation Water Service Schedule. If Owner repeatedly fails to comply with the Irrigation Water Service Schedule, SWCA may enter onto the Homesite, over and upon easements hereby reserved in favor of SWCA, and install a control valve to compel Owner’s compliance with the Irrigation Water Service Schedule, with all costs related thereto being charged to Owner.

If new landscaping is installed on a Homesite, the Owner may allow additional irrigation water service at the Homesite to supplement the Irrigation Water Service Schedule (“Supplemental Irrigation Water Service”), during the grow-in period, which is typically thirty (30) days. Supplemental Irrigation Water Service at a Homesite may not exceed thirty (30) minutes of irrigation water service per day, during the grow-in period, in addition to the Irrigation Water Service Schedule. SWCA reserves the right to suspend Supplemental Irrigation Water Service at Homesites. Unless the Owner is notified of suspension or termination of the Supplemental Irrigation Water Service, Owner need not notify SWCA of their intention to utilize Supplemental Irrigation Water Service.

(c) **Ownership and Maintenance.** The Owner of a Homesite shall own and maintain the irrigation water distribution system downstream from the water meter measuring the amount of irrigation water supplied to the Homesite. SWCA shall own and maintain the irrigation water supply system upstream from, and including, the water meter measuring the amount of irrigation water supplied to the Homesite (the “SWCA Water Supply System”). Prior to commencing any underground activity which could damage the SWCA Water Supply System, the Owner shall contact SWCA to determine the location of the SWCA Water Supply System. Any damage to the SWCA Water Supply System shall be repaired by SWCA at the sole cost of the Owner.

(d) **Identification of Irrigation System.** The irrigation water distribution pipes are color-coded for identification with Pantone Purple 522C, which is lavender in color, or a similar colorant. Owner hereby covenants and agrees not to paint any portion of the Owner’s Irrigation System so as to obscure the color-coding.

ARTICLE VII. OWNER'S OBLIGATIONS OF MAINTENANCE AND REPAIR

Section 1. Maintenance Obligations.

(a) **Home, Homesite and adjoining areas.** Subject to these restrictions, each Owner shall, at his sole cost and expense, repair his residence, other than as otherwise provided for herein, keeping the same in condition comparable to the condition of such residence at the time of its initial construction, excepting only normal wear and tear. Each Homesite Owner shall be responsible for maintaining in a mowed, edged, neat and clean manner:

- (1) that portion of his Homesite not subject to rear side yard easements; and
- (2) the unpaved area between an adjacent roadway or walkway located in the road right of way and the Owner's Homesite.

(b) **Walls, Fences and Gates.** Owners shall be responsible for all wall and fence maintenance not assumed by the District in ARTICLE II. Section 1. Subject to these restrictions each Owner shall paint and keep clean all fences and walls. The gate on the gate fence or wall shall be maintained by the Owner enjoying the use of the adjacent side yard area. Owners shall be responsible for maintenance and repair of the structural integrity of all walls and fences serving the Owners' Homesites whether on the Owner's Homesite or on an adjacent Homesite, reserved area, or dedicated area. Where a wall or fence serves more than one Homesite, the cost of maintaining and repairing the structural integrity of the wall or fence shall be shared among the respective Owners served by such wall. In addition, the Owners of Homesites 30, 39, 56 through 60, 62, 63, 66, 67, and 71 shall clean and paint the exterior portion of the wall or fence upon their Homesites facing the adjoining road right of way or parking area. The Owners of Homesites 7, 29, 30, 38, and 39 shall also mow and maintain in a neat and clean manner, the area located between such Owners Homesites and the centerline of the unpaved right of way adjoining such Homesites. Owners of Homesites on the perimeter of the Subdivision who must maintain the exterior of the fence on their Homesites are encouraged to do so in a cooperative and uniform manner with other adjacent Homesite Owners so as to present to the public a uniform well maintained appearance of the Subdivision as a whole.

All gates, walls and fences must be of a uniform color and type of paint. Owners intending to paint must contact the Developer or the Architectural Control Committee for paint specifications.

Section 2. If an Owner does not adhere to the above regulations, then the work may be performed on behalf of the Owner by the Declarant, but the Declarant shall not be obligated to perform such work, and the cost shall be charged to the Owner.

ARTICLE VIII. OWNER'S OBLIGATION TO REBUILD

If all or any portion of a residence is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner thereof, with all due diligence, to rebuild repair, or reconstruct such residence and walls in a manner which will substantially restore it to its appearance and condition immediately prior to the casualty. Reconstruction shall be undertaken within two (2) months after the damage occurs, and shall be completed within six (6) months after the damage occurs, unless prevented by governmental authority. Such reconstruction is subject to the provisions of these restrictions.

ARTICLE IX. PARKING RESTRICTIONS

No Owner of a Homesite shall park, store, or keep any vehicle except wholly within his driveway, garage or other non-visitor parking spaces. No truck in excess of 3/4 ton, camper, boat, trailer, or aircraft, or any vehicle other than a private non-commercial vehicle may be parked in a parking space except a boat may be kept in the garage with the garage door closed. No Owner of a Homesite shall repair or restore any motor vehicle, boat, trailer, aircraft, or other vehicle on any portion of any Homesite, or on dedicated or reserved areas, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility.

ARTICLE X. ARCHITECTURAL CONTROL

Section 1. Alterations, additions, and Improvements of Residences. No Owner, other than Declarant or its transferees, shall make any structural alteration, or shall undertake any exterior repainting or repair of, or addition to his residence, which would substantially alter the exterior appearance thereof, without the prior written approval of the plans and specifications therefor by the Declarant or an architectural review committee appointed by the Declarant. The Declarant or an architectural review committee designated by the Declarant shall grant its approval only in the event the proposed work (a) will benefit and enhance the entire Subdivision in a manner generally consistent with the plan of development thereof and (b) complies with the construction plans for the surface water management system pursuant to Chapter 40 D-4, F.A.C., approved and on file with the Southwest Florida Water Management District. All Fences and Walls must be of a uniform color and type of paint. Owners intending to paint their fence walls must contact the Declarant or the District for paint specifications.

Section 2. Waiver and Release. When a building or other structure has been erected or its construction substantially advanced and the building is located on any Homesite or building plot in a manner that constitutes a violation of these covenants and restrictions, the Declarant or an architectural review committee appointed by the Declarant may release the Homesite or building plot, or parts of it, from any part of the covenants and restrictions that are violated. The Declarant or the architectural review committee shall not give such a release except for a violation that it determines to be a minor or insubstantial violation in its sole judgment.

ARTICLE XI. GENERAL PROVISIONS

Section 1. Water Features. Owner recognizes that lakes, ponds, basins, retention and detention areas, marsh areas or other water related areas (hereafter, "Water Features") within or outside of the Subdivision are designed to detain, or retain stormwater runoff and are not necessarily recharged by springs, creeks, rivers or other bodies of water. In many instances, the Water Features are designed to retain more water than may exist from ordinary rainstorms in order to accommodate major flood events. The level of water contained within such Water Features at any given time is also subject to naturally occurring events such as drought, floods, or excessive rain. Owner acknowledges that from time to time there may be no water in a Water Feature and that no representation has been made that the water depth or height will be at any particular level.

Section 2. Enforcement. All Owners shall have the right and duty to prosecute in proceedings at law or in equity against any person or persons violating or attempting to violate any covenants, conditions or restrictions, either to prevent him or them from so doing, or to recover damages or any property charges for such violation. The cost of such proceedings, including a reasonable attorney's fee, shall be paid by the party losing said suit. In addition, the Declarant shall also have the right but not the duty to enforce any such covenants, conditions or restrictions as though Declarant were the Owner of the Homesite, including the right to recover reasonable attorney's fees and costs. Declarant may assign its right to enforce these covenants, conditions or reservations and to recover reasonable attorney's fees and costs to a person, committee, or governmental entity.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 4. Amendments. Covenants and restrictions of this Declaration may be amended by duly recording an instrument executed and acknowledged by the Declarant.

Section 5. Subordination. No breach of any of the conditions herein contained or reentry by reason of such breach shall defeat or render invalid the lien of any mortgage made in good faith and for value as to the Subdivision or any Homesite therein; provided, however, that such conditions shall be binding on any Owner whose title is acquired by foreclosure, trustee's sale, or otherwise.

Section 6. Duration. The covenants and restrictions of this Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by the Declarant, or any Owner until the first day of January 2048 (except as elsewhere herein expressly provided otherwise). After the first day of January 2048, said covenants, restrictions, reservations and servitudes shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the Declarant or his assignee shall be recorded, which instrument shall alter, amend, enlarge, extend or repeal, in whole or in part, said covenants, restrictions, reservations and servitude.

EXECUTED this 10th day of May, 2018.
