Executive Golf in The Villages

The Executive Golf Trail of The Villages provides another great avenue for recreation in the active lifestyle of a Villager. The Executive Golf Trail consists of over 36 courses and is growing every year. While the Country Clubs are owned and operated by the developer of The Villages, the Executive Golf Trail courses are owned and operated by the Village Center Community Development District and the Sumter Landing Community Development District. They are supported and maintained by the amenities fees of the residents of The Villages, meaning Greens Fees are free for all residents of The Villages. Use of a golf car does require a paid trail fee, which can be paid daily, semi-annually, or annually.

For more information about the Executive Golf Trail, trail fee information and all information pertaining to golf in The Villages, please visit [GolfTheVillages.com](#) or contact The Villages Golf & Country Club Administration offices at [352-753-3396](#).

Executive Golf

The Villages Executive Golf trail consists of 40 nine hole courses unique to The Villages. These courses are primarily par 3 holes with the occasional par 4. Unlike many "executive courses" outside The Villages, ours are maintained at a high standard. Each course has something to offer to all levels of golfers. With 3 sets of tees from 2 to 7 tee boxes, they will challenge even the most experienced golfer, but from the forward tees will provide a friendly experience for the recreational golfer as well as the beginning golfer.

Greens fees on the executive courses are free to all residents*; a trail fee does apply if you wish to use your golf car on the trails of the executive courses. Trail fees can be paid per round, semi-annually, or annually. To purchase a semi-annual or annual trail fee, please [download the following application](#) and visit any of the regional recreation centers or follow the mail in instructions. Trail fees apply to the individual not the golf car. If you wish to bring a "guest" please be aware of all the [policies regarding guest play](#).

Executive Course Night Golf

Saddlebrook and Escambia are home to night golf within The Villages. Night golf at Saddlebrook is played on Tuesday, Thursday and Saturday and at Escambia on Wednesday and Friday. If you would like to schedule your group (Minimum of 36 players) to play night golf, please contact Glenview Champions golf shop @ 352-753-3345 for play at Saddlebrook or Belle Glade golf shop @ 352-674-2700 for play at Escambia.

Executive Course Spectator Policy

As approved by The District Boards, commencing May 2015 regarding the Spectator Policy on Executive Courses.
