GRAND RE-OPENING!

Belmont Executive Golf Course

April 9, 2024

Following its comprehensive course renovation, Belmont Executive Golf Course is getting ready to re-open its greens. It is natural for courses over time to lose their curves and feel, but this twenty-year-old gem is back with a fresh look, still possessing the same boldly designed greens, challenging shot options and a majestic oak tree-lined layout. Originally opened for play in 2004, the course tested every skill level and is rated level 4 on the Executive rating scale – being one of the more challenging Executives in our complement. It will now play just like it did on its original opening day with some added aesthetically pleasing features to entice you along the way.

I bet you didn't know...

I love this time of year when the days are longer, and spring is in the air. As my husband and I take on home projects inside and out, I love seeing all my neighbors outside planting new flowers, pressure washing their homes, and sprucing up from the cold winter we have had. There are many things I love about living in The Villages, and one of them is that every homeowner signs a declaration of deed restrictions that they will uphold the aesthetic value of their property in The Villages. The Villages is such a beautifully designed and well-maintained community, and I am proud to live here and work with the teams that keep our community pristine. The Community Standards Department works tirelessly upholding the standards of our community's residential architectural design, landscaping, and aesthetics. District Property Management does an outstanding job of maintaining District property and every homeowner should have the same standard for their property as what they see when they drive around The Villages, visit a Recreation Center, Swimming Pool, Golf Course, or Town Square. Pride in ownership and community never goes out of style.

THE Q&A Meeting

Monday, April 8th, 2024

7:00 to 9:00 pm

Mulberry Grove Rec Center

Don Deakin

This Q&A meeting will be hosted by District 4 Supervisor Don Deakin. These Q&A meetings are open to the public. Each month residents have an opportunity to “chat” with Supervisor Deakin, who is just one of five Supervisors serving on the Community Development District 4 Board.

“The purpose of the **Q&A** meetings is to provide residents with the opportunity to ask questions, get answers, share their concerns, offer suggestions, and address rumors” said Deakin.

For this meeting, the new MCSO Commander at the Mulberry Grove Marion County Sheriff’s Office annex in The Villages, **Sgt. Benjamin Adams**, has been invited as a Special Guest to meet the residents of The Villages. The office oversees and serves more than just the Marion County section of The Villages. The District also includes Spruce Creek, Stonecrest and other area communities.

Sgt. Adams has volunteered to make a presentation of significant importance to all of us, entitled “**How to Detect and Prevent Scams**”.

This presentation will be followed by the Q&A on this topic and anything else of interest to our residents.

Sgt. Adams has been with the Sheriff’s office for 17 years. In 2015, he was named the American Legion’s Southern Region Law Enforcement Officer of the Year.

Prior to joining law enforcement, he served in the U.S. Marine Corps, including an 18-month deployment in Iraq.

Sgt. Adams plans to take a more active role to interact with the community. On March 13th, he made a point of attending District 4’s Town Hall meeting and had an opportunity to introduce himself to the residents in attendance.

For more information: Call Supervisor Don Deakin at (352) 750-5395; or send an Email to: DRDeakin@aol.com
