## Closing of Outdoor Facilities

The Villages Recreation & Parks Department, in partnership with the Community Watch Department, as stewards of Recreation Facilities within The Villages, are requesting your cooperation when closing outdoor Recreation Facilities.

The time of dusk fluctuates throughout the year. Dusk is the window of time usually within a 30 minute timespan after sunset. When closing facilities, staff ensures there is adequate lighting to enter, inspect, and allow participants the ability to exit the facilities in a safe manner. Safety is of the utmost importance and we appreciate you taking this into consideration as staff closes the facilities.

The Villages Recreation & Parks and Community Watch team appreciate your support and adherence as we aim to be good stewards of the recreation facilities while ensuring the safety and wellbeing of both staff and residents.

# Outdoor Water Conservation Tips

Use a hose with an automatic shut-off nozzle to water flower beds and dry spots.

Learn to operate your irrigation system properly and check your settings monthly to be sure that it is operating on the right day and time. Also, verify that no extra start times are turned on.

Follow Florida Friendly Landscaping Principles - visit [FloridaYards.org](http://FloridaYards.org)

Cut your grass at the highest recommended height (4" for St. Augustine or Bahia, 2" for Empire Zoysia).

Keep mower blades sharp. Dull blades tear grass, opening it to disease and causing grass to appear tan and ragged.

Mow regularly, cutting no more than 1/3 of the grass length.

Irrigation schedules vary by lot number in The Villages, and each can be found online at [TheVillagesWaterWisdom.com](http://TheVillagesWaterWisdom.com). The Water Wisdom website also provides details on Florida Florida-friendly landscaping, water conservation tips, how much water is enough, recommended irrigation zone run times, and much more!

The Village Center Community Development District **Lady Lake/Lake County** and in **Districts 1 – 4**, lawn watering depends on whether you have an odd or even numbered address and the time of year. For **Districts 5–14**, lawn watering depends on the lot number and time of year. Below are irrigation schedules in The Villages.

- Watering may only occur before 10 a.m. or after 4 p.m. on the scheduled days and times.
- Certain exemptions are available, such as allowances for new plant material.
- Fountains, car washing, and pressure washing are not restricted. However, it is important to be as efficient as possible, such as using a shut-off nozzle on the hose so water isn't wasted.
